ANNUAL REPORT
OF THE
ELECTION DEPARTMENT
FOR THE YEAR 1942.

Boston, January 31, 1943.

HON. MAURICE J. TOBIN,
Mayor of the City of Boston.

SIR,— In compliance with section 24, chapter 3, of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

REGISTRATION.

Registration was held at the central office January 5, 12, 19 and 26, and from May 18 to August 26, inclusive, and from September 16 to October 14, inclusive, and on December 7, 14, 21 and 28. Registration in wards was held on August 18, 19, 20, 21, 22, 24, 25 and 26, from 6 p. m. to 10 p. m., for the state primary; and September 30, October 1, 2, 3, 5, 6, 7, 8, 9, 10, 13 and 14, from 6 p. m. to 10 p. m., for the state election. This registration was held in two places in different sections of each ward, ten nights in each place.

NUMBER OF VOTERS.

At the city election held November 5, 1941, the number of voters on the list was 370,777. The number

of such voters in the first list published by the Board August 13, 1942, was 330,750. From that time to the close of registration for the state election there were added the names of 33,440 voters. The number of voters on the final list sent to the polls on the day of the state election, held November 3, 1942, was 364,190, a decrease of 6,587 from the number on the list at the preceding city election. The number of voters on final list December 31, 1942, was 364,206.

NOMINATION PAPERS AND REFERENDUM PETITIONS.

The Board received 1,335 nomination papers for the state primary on which 20,649 names were certified; 69 independent nomination papers for the state election on which 2,378 names were certified; 370 initiative petitions on which 7,277 names were certified; and 63 petitions for recount of ballots cast on which 3,242 names were certified. This makes a total of 1,837 papers on which the names of 33,546 voters were certified.

REVISION OF THE VOTING LIST.

The names of 3,952 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

JURORS.

The jury list prepared by the Board in 1942 contained the names of 10,461 voters of Boston. During the time covered by this report, 2,551 were drawn for jury service.

ABSENT VOTING.

The Board received 3,127 requests for applications for absent voters' ballots. From this number 2,808 applications were received. From the number of applications properly filed, 2,355 were found to be voters qualified to receive a State ballot, and ballots were mailed to said applicants, and in addition 393 War ballots were sent to persons in the armed service, making a total of 2,748 ballots mailed (of which 2,030 were mailed to persons in the armed service). One thousand five hundred and eighty-two (State, 1,413, war, 169) ballots were received in this office in time to be distributed to the various precincts before the close of the polls. One hundred and thirty-two ballots

were returned too late to cast and thirty-four were returned by the Post Office officials as unclaimed.

VOTING MACHINES.

On October 1, 1942, His Honor Mayor Tobin and the Board of Election Commissioners met as a commission to consider the use of voting machines. It was voted to lease eight machines and to order their use at the State Election, November 3, 1942, four machines to be used in Ward 3, Precinct 18, the Brandeis Vocational High School, Common and Warrenton streets, and four in Ward 5, Precinct 4, the B. U. School of Theology, 29 Chestnut street.

A representative of the manufacturer instructed the election officers of these precincts in the use of the machines. Two assistant registrars were also given instructions, and they were assigned to demonstrate the machines to the voters of the precincts affected. The voters were notified by postal of the opportunity to become familiar with the new procedure, and many of them attended the demonstrations held in the polling places from 12 noon until 8 p. m., on nine days of the two weeks preceding the election.

The machines were used at the State Election with the result that the voters and election officers reported great satisfaction with the speed with which the balloting proceeded. The time required to cast a ballot was noticeably reduced, and the actual count of the votes cast on the machines was completed in less than an hour. At a subsequent recount in the Tenth Congressional District, both candidates waived the recount of Ward 5, Precinct 4, where machines had been used.

MEMBERSHIP OF THE BOARD.

William A. Motley, Jr., was reappointed Election Commissioner for the term ending March 31, 1946. Mr. Motley was also designated by the Mayor to be Chairman of the Board.

Francis B. McKinney was reappointed Election Commissioner for the term ending March 31, 1944.

Everett R. Prout was appointed Election Commissioner for the term ending March 31, 1945. He assumed the duties of his office on November 20, 1942.

Upon organization of the Board, Commissioner Frederic E. Dowling was elected Secretary.
